Hosted at Heartland Community College

Featured Sessions & Activities

Icebreakers & Table Switching Activities

Interactive activities designed to encourage networking and meeting new colleagues throughout the day.

Moderated Discussion: Common App Best Practices

Moderator: Amanda Garard

A guided discussion with time for participant questions, shared insights, and best practices from across the room.

Transfer Students & Flexible Timelines

Presenter: Allison Kling

A transfer focused session centered on adapting student timelines to meet individual needs—not simply moving students through as quickly as possible.

Big Impacts with Policy/Procedure Review

Presenter: Stacy Ramsey

Through a focused review of our policies and procedures, learn how ISU has reduced barriers and streamlined processes, leading to positive, measurable impacts on student success.

Operational Planning

Presenter: Hannah Kang

Learn how the Records department at Heartland took their operational planning to the next level through meaningful team collaboration and intentional, strategic exercises/discussions. This session explores practical approaches to engaging your team in the planning process, aligning daily work with organizational goals, and creating clear, actionable plans.

Birds of a Feather Discussion

Connect with colleagues around shared interests, roles, or challenges.

Lunch is included, with dedicated time for informal conversation and connection.
